

## RECRUITMILITARY OFFERS VARIOUS OPTIONS TO DIGITALLY CONNECT WITH THE VETERAN COMMUNITY.

Try one or bundle all the services into one complete media package.

### TARGETED EMAILS

Increase exposure of your organization's opportunity among qualified veteran job seekers. This personalized email message is delivered directly to veterans who possess your required skills and experience.

"The Targeted Email worked just like you said it would and produced a strong group of candidates. Other than making a choice from such a talented group, things couldn't have been easier. We're very pleased with how well this service worked to deliver our next sales representative. Thanks for all your help!" – *W. Nelson, Pressure Spray, Inc.*

### WELCOME LETTERS

Connect with TODAY's job seeker. Let our most recent job board registrants who possess your required skills and experience know about your opportunities with a personalized email message.

### VETTEN NEWSLETTER

Expose your organization and available opportunities to all monthly veteran newsletter subscribers. Sponsorship, display and text ads are available to market your organization.

### SEARCH & EMPLOY® MAGAZINE

Bi-monthly magazine distributed in two monthly newsletters, and posted on recruitmilitary.com. This is the premiere branding option to reach transitioning troops, job-seeking reservists, National Guardsmen, and RecruitMilitary Veteran Job Fair attendees. Ask for more details.
